AGT INTELLIGENCE

AREA REPORT · MADURAI URBAN EXPANSION

Priority 1 · Kamarajar Salai (Munichalai)

Catchment, trade activity and commercial banking competition within 2 km

PREPARED FOR	SUITABILITY RATING	RATING RANK	PEOPLE WITHIN 2 KM
Retail Banking	**4.4 of 5**	**1 of 14**	**3.2 lakh**

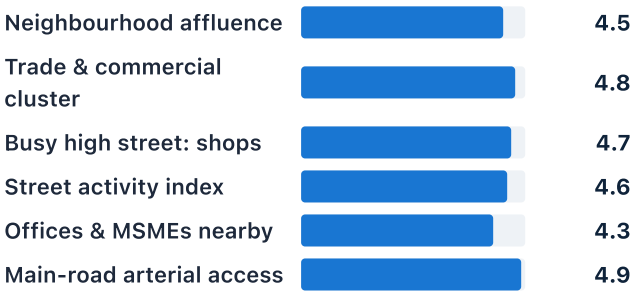

Kamarajar Salai: rating 4.4, 3.2 lakh within 2 km, ground rent ₹110.

4.4	3.2 L	26	12	₹110	2 min
Rating Rating rank 1 of 14	People within 2 km	Bank branches within 2 km	Well-known branches	Ground rent /sq ft a month	Walk to Munichalai bus hub

Prime commercial trader access, with an affluence rank of 84 of 100 within 1 km. There are 26 bank branches within 2 km, against 8 at suburban peripheral corridors.
Why it stands out: Highest concentration of wholesale textile, gold jewellery, and grocery merchants generating daily cash credits.
What to watch: Heavy traffic congestion along Kamarajar Salai; requires dedicated curbside bay for armored Cash-in-Transit (CIT) vehicles.
Open with: Trader Current Accounts (3.82) and Gold Loans (2.45), by shortage index.

Scorecard

Format match: 4.6 of 5

Room for a new branch: 4.2 of 5

Five things that matter

Catchment: 3.2 lakh within 2 km; affluence rank 84 of 100 within 1 km; 62% of residents live in top-quartile affluence blocks.

Trade Density: 418 commercial shops within 1 km; 4 of 6 trade segments generate intense daily current account turnover.

Access: Direct arterial frontage (0 m); Munichalai bus junction 2 min on foot; 68 bus departures an hour.

Competition: 42 financial listings within 2 km; 12 are well-known (100+ Google reviews); average rating 4.4.

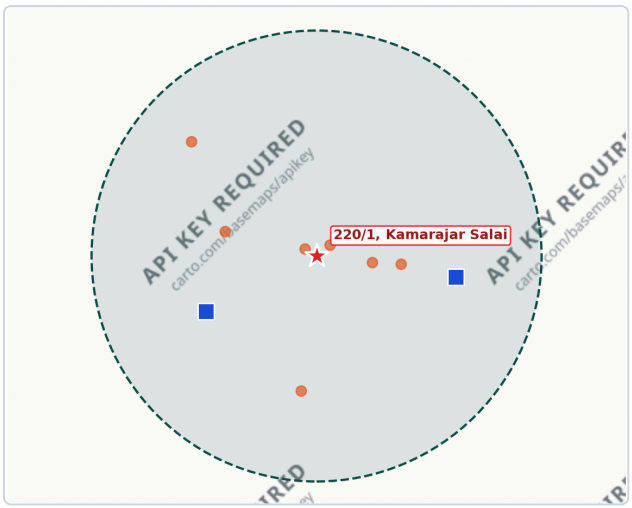

Rent and Timing: Ground-floor commercial rent ₹110/sq ft a month, against ₹55 in suburban corridors. The busiest times at nearby shops are 11 am and 7 pm.

Trader Current Accounts and Gold Loans are in shortest supply.

Credit & deposit demand per branch compared to Madurai city norm (1.0 = Norm)

Product gap breakdown and rollout recommendation

Banking Product Line	Target Market Pool (within 1 km)	Existing Active Branches	Demand-to-Supply Ratio	Market Reading	Strategy
Trader Current Accounts (CA)	1,420 Wholesale Merchants	4 Dedicated Desks	**3.82**	Severe Shortage	**Lead**
Gold Loans & Overdrafts	₹85 Cr Estimated Annual Demand	3 NBFCs / 2 Banks	**2.45**	High Shortage	**Lead**
MSME Working Capital	380 Small Textile / Food Units	5 Branches	**1.65**	Moderate Shortage	**Add**
Retail Savings (CASA)	82,600 Residents	9 Branches	**0.95**	Balanced Supply	Later
Home & Auto Loans	Middle-Income Suburban Catchment	8 Branches	**0.72**	Well Served	Hold
Large Corporate Credit	Industrial Corridor Units	6 Corporate Hubs	**0.50**	Crowded Core	Hold

Strategic rollout directive

The Kamarajar Salai commercial catchment is heavily underserved in **speedy merchant banking services**. Wholesale traders currently endure long waiting queues at legacy PSU counters for daily cash deposits. Opening with a dedicated **Cash Deposit Machine (CDM) lobby**, same-day merchant overdrafts, and a 30-minute Gold Loan counter will capture immediate high-margin market share.

Lead with Trader CASA and Gold Loans; secure signage on Kamarajar Salai.

1 · Product & Service Mix

- **Lead Products:** High-volume Current Accounts (CASA) with zero-fee cash deposit allowances up to ₹10 lakh/month.
- **Instant Gold Loans:** Set up a dedicated valuer desk offering 30-minute loan approvals against gold jewellery at competitive card rates.
- **Add:** Merchant QR codes, point-of-sale (POS) EDC machines, and short-term working capital overdrafts.

2 · Operating Hours & E-Lobby

- **Extended Cash Desk:** Keep cash collection counters open until 6:30 PM on weekdays to capture retail market closures.
- **24/7 Dual CDM Lobby:** Install 2 automated Cash Deposit Machines (CDMs) and 1 ATM in the street-facing lobby.
- **Saturday Operations:** Full commercial banking services on 1st and 3rd Saturdays to align with retail bazaar footfall.

3 · Business Development Anchors

- **Trade Associations:** Formal tie-ups with the Sourashtra Cloth Merchants Association and Nelpettai Grain Traders.
- **Corporate Payroll:** Acquire salary accounts of nearby hospitals (Vadamalayan, Christian Mission Hospital) and trade schools.
- **B2B Payments:** Offer integrated digital vendor payments and tax compliance services (GST/TDS) to local firms.

4 · Getting Found & Brand Visibility

- **Illuminated Facade:** High-visibility LED totem and fascia visible from both Munichalai and Teppakulam approaches.
- **Clear Sightlines:** Target property with at least 20 ft clear road frontage to guarantee visibility from passing buses.
- **Local Landmark Status:** Prominently brand the 24/7 ATM lobby as a landmark cash point along Kamarajar Salai.

Busiest streets inside the area

Street Name	Length Inside 1 km Catchment	Street Activity Index (0 to 1)
Kamarajar Salai	1,420 m	0.96 (Top 2% in Madurai)
East Veli Street	850 m	0.94 (Top 3% in Madurai)
Munichalai Main Road	620 m	0.89 (Top 6% in Madurai)
Teppakulam West Street	710 m	0.79 (Top 14% in Madurai)

Advertised ground-floor commercial rent per sq ft of usable area per month, Oct 2026; each dot represents one verified commercial listing.

Listed space by floor level

Leasing and floorplate analysis

- **Ground Floor Premium:** Ground-floor commercial commands a 1.6x–1.8x premium over upper floors due to direct high-street retail access.
- **Space Availability:** Ground-floor units along Kamarajar Salai are typically narrow (600–1,200 sq ft). Securing 1,800–2,500 sq ft requires leasing an amalgamated double-shutter space or a newly redeveloped commercial complex.
- **Lease Tenor:** Typical bank lease terms require a 9-year agreement (3+3+3) with a 15% escalation every 3 years.

Direct 4-lane arterial; dedicated Cash-in-Transit (CIT) loading bay required.

Terms, conditions and important limitations

Report edition: 27 October 2026. This material is a preliminary screening and decision-support aid for comparing candidate areas. It is not a commitment to open a branch or a substitute for independent due diligence.

1 · Intended use and status

Use the maps, indicators, charts, catchments and relative scores to compare locations and plan further investigation. Scores express relative screening under the stated assumptions; they are not a loan, investment, profitability, branch approval or site-selection recommendation and do not predict actual customer demand or business performance. This is not legal, investment, tax, credit, engineering, registered-valuation, land-survey or statutory advice. AGT Map and other AGT products, where separately contracted, are governed by the applicable product terms and order.

2 · Data and map limitations

Indicators may combine public records, third-party listings, mapped features, modeled estimates, manually compiled inputs and assumptions. Sources can differ in date, resolution, definition, completeness and coverage. A mapped point may be missing, duplicated, relocated or misclassified. A modeled value is not a direct count or observation. Missing or low values do not prove that a risk, competitor or activity is absent. Catchments, boundaries and distances are analytical approximations, not cadastral surveys, legal boundaries, route guarantees or proof of access. Map tiles and datasets remain subject to their publishers' licenses and attribution requirements.

3 · Verification before action

Before committing funds or choosing a site, independently verify coordinates, frontage, access, operating hours, competitors, rent, footfall, population and local conditions through field checks and current authoritative records. A qualified advocate should verify title, encumbrances, ownership, possession and litigation. Obtain applicable municipal, planning, fire, accessibility and banking/regulatory permissions from relevant authorities. Arrange professional valuation, engineering and environmental assessments where appropriate. AGT does not warrant that a site is legally available, safe, suitable, permitted, profitable or free from competing activity. The recipient is responsible for decisions and validation of material assumptions.

4 · Ownership and permitted use

AGT Intelligence Pvt. Ltd. retains rights in its platform, methods, scoring logic, presentation and AGT-created materials, subject to any signed engagement. Client-supplied locations, geometries and shortlists remain the client's information. Underlying datasets and map content remain owned or licensed by their respective providers. Unless an executed agreement states otherwise, this report is for the intended recipient's internal evaluation and authorized client discussion. Do not sell, sublicense, scrape, reverse-engineer, create a competing dataset from or bulk-extract dashboard content, scores, map layers or third-party data. Do not remove required attribution or share credentials/API keys. Broader publication or redistribution requires the relevant rights and written authorization.

Commercial, privacy and legal terms

5 · Public hosting and privacy

The dashboard is publicly accessible on GitHub Pages at the requester's direction. Treat all page content as public; do not add confidential customer, account, personally identifiable or parcel-level data to the public HTML. The static page may load map tiles, libraries or other third-party resources that receive normal request and technical metadata under their own policies. GitHub hosting terms apply to the hosted copy. For AGT services, the official privacy notice describes processing of enquiries, requested locations/geometries and technical information, retention and service processors. Privacy requests: team@agt-intelligence.com. See agt-intelligence.com/privacy.

6 · Fees, service and commercial terms

This public report is not a price quote, offer, subscription or statement of fees. Fees, taxes, delivery, authorized users, service levels, refreshes, API access, confidentiality and payment terms apply only as set out in the relevant signed proposal, order or engagement. If that document conflicts with this summary, the signed document governs the contracted work. The current AGT Terms of Use govern use of AGT's website and products. No data refresh, uptime, geographic coverage or API service is promised by this static report.

7 · Warranties, liability and responsibility

Information is provided for screening and may change as source data or conditions change. To the extent permitted by law, AGT disclaims indirect, incidental, special and consequential losses arising from use of a screening output. Any aggregate liability cap, exclusions, warranties and remedies are subject to official terms and the applicable signed engagement; this report does not create or specify a fee-based cap where no fee was agreed. No right or liability that applicable law does not permit to be limited is excluded. The recipient remains responsible for independent due diligence and all business decisions.

8 · Governing law and precedence

These terms are governed by the laws of India, with courts at Noida, Uttar Pradesh, having jurisdiction, subject to any applicable signed agreement and mandatory law. This project-specific summary is informational and should be read with AGT's current official website terms and any signed client engagement. Where the public summary conflicts with a signed engagement on contracted work, the signed engagement controls; the official product terms continue to govern product access and use.
